Fall 2022

Sweetest Blessing

Heather Cassie - Founder, Executive Director

During my devotions recently, I was reminded of this:

“With all the problems and concerns a leader has, it can be easy to overlook the very people who most deserve attention- faithful employees or volunteers. The people who stand behind you who work hard and help you get the job done, deserve to share in your success. Be sure that in all your worrying, planning, and organizing, you don't forget the people who are helping you the most.”

I love our Table family SO much!! Each one of our volunteers give so much of themselves to serve God, our community, and the hungry, hurting, and homeless. It is honestly the most INCREDIBLE thing to experience and be part of.

Every time I am at The Table, I feel God's presence, his compassion, kindness, and deep love for us. Our volunteers, donors and guests are being used by God to be the sweetest blessing this town has to offer.

I have been blessed beyond belief these past 16 years, since founding The Table. Please know that your faithfulness is never overlooked. You are seen, prayed for, loved, appreciated, and bring joy to me and so many others every day.

We are family and I love you all immensely.
All my love,
Heather <3

THANK YOU to all those who voted for The Table in the iA Financial Group (Industrial Alliance)

It is with incredible amazement and excitement that we at The Table Soup Kitchen Foundation celebrate such a huge achievement in being chosen for the iA Financial Group (Industrial Alliance) Philanthropic Award of \$105, 000!! As The Table's largest single financial gift to date, we couldn't be more grateful to all those who have made this gift possible: Sarah Thatcher of Greyleaf Consulting for listening and crafting the grant application, iA for providing the opportunity, Table supporters who voted for us, and to the employees of iA for honouring us as their charity of choice.

With the proceeds from this grant, we commit to making The Table more ACCESSIBLE for everyone!! Your confidence in our ministry to those in need in our community has given us increased joy and strength as we serve together and look forward to our upcoming **RENOVATIONS FOR ACCESSIBILITY.** What an awesome honour and blessing from the Lord!!
